The game also features highly advanced Artificial Intelligence and Motion Capture technology for facial expression and physical movement, which are to be seen and heard at certain times to add to the dramatic mood. The character of Derek McCormack is voiced by actor/voice-over artist Christian Ryan. Gameplay The Shapeshifting Detective features an unconventional investigation process where the player's responses and actions as well as the character's reactions and choices are often more important than the player's actions. Depending on the situation, the player can react and choose between several different options. This is done in the traditional manner of a point-and-click adventure game, with the exception that the player is unable to make the character choose an option or make a decision. I'm trying to create a hard link in this code: \$ ln -sf test linkTest ln: symbolic link `linkTest' to `test' I also tried: \$ ln -s linkTest test ln: invalid option -- s usage: ln [-lnv] [-D directory] target linkname I'm not sure what I'm doing wrong, but I'm not sure why this doesn't work. Is there any way to create a hard link without creating a link in the file system? A: Hard links only operate on file systems, and I'm not sure if BTRFS handles hard links natively. Broad City has been renewed for a second season, Comedy Central announced Friday. The news comes on the heels of Season 1 finale, which saw Abbi and Ilana traveling to Italy with Tony. 82157476af
